We went to the Ice Hotel! It's in Canada.
 It's always between -2 and -5°C. Because the hotel
 is made of ice. There is movie theater.
 We love to watch movies. So we watched a lot
 of movies. We were happy! And there is our goal
 if we were tired. So we couldn't see them. If we
 can go there again, we hope to see them and enjoy
 them. Mr. Goulet and Mr. Kazuki were going to get
 every thing, but they couldn't get messy, because
 they were tight. We were sad.
