Dear Doshisha Junior and Senior High School (Robot
Competition friend school,

It has been a hard time under the coronavirus disease. May
God bless you and keep you in this difficult time. "For God
has not given us a spirit of fear, but of power and of love and
of a sound mind." (2 Timothy 1:7) We need not fear. God
will protect us by giving us different spirits. We await the

Dear Doshisha Junior and Senior High School,

Thank you for keeping in touch with us. The novel coronavirus is so severe that we are undergoing a hard time these days. We hope you are doing well under this threat. The former U.S. president John F. Kennedy had said, 'When written in Chinese the word "crisis" is composed of two characters – one represents danger and the other represents opportunity,'. Hope that we can get over this disease and seize chance for further improvement. Looking forward to having more exchanges with you in the future.
